ANNOUNCEMENT

We are thrilled to announce the promotion of Brian Stetson to Master Code Enforcement Officer. Brian has served as the City's Code Compliance Officer since May 2019 and brings a wealth of knowledge in Code Enforcement.

Prior to joining the City of Westbrook, Brian held roles in code enforcement and fire & life safety inspection for Windham, Wells, and Biddeford. He holds certifications in NFPA1/101 Life Safety, Uniform Plumbing, Maine Subsurface Wastewater, Shoreland Zoning, Commercial and Residential Ventilation, ASTM Radon and International Building Code, Residential Code, Existing Building Code, Energy Conservation Code, and Property Maintenance Code. Brian also earned a Bachelor of Science degree from Colby-Sawyer College.

This promotion recognizes the contribution Brian has made to the City of Westbrook during his tenure and his appointment will be effective on April 1, 2022, after David Finocchetti's retirement. The Code Compliance Officer is a critical role for our City and the position will be posted immediately.

Brian brings many qualities and skills to the job that will undoubtedly further improve our service to the citizens of Westbrook. Please join me in congratulating Brian Stetson on his promotion.
