

Beginning with the month of May, the City is celebrating our employees through Career Appreciation Days! Every position has their own day or week to be recognized and shared on the City's social media. Recently, we celebrated International Firefighters' Day & Professional Municipal Clerks Week. Please read below for more information and join us in celebrating our amazing employees!

*We honor the real-life heroes who rush into danger without hesitation. It's International Firefighters' Day. From battling blazes to saving lives, these brave men and women put their own safety on the line to protect ours. Let's take a moment to express our gratitude for their unwavering courage, selflessness, and dedication to keeping our community safe. The Westbrook Fire & Rescue Department is staffed with 3 Administration Chiefs, 46 full-time members that must attain a paramedic level license, 4 Per Diems, and 11 Call Fire employees. To all the firefighters out there, thank you for your bravery.*

*Let's give a round of applause to the professionals of our local government! It's Professional Municipal Clerks' Week! From keeping records straight to ensuring smooth operations, municipal clerks are the glue that holds our communities together. Their dedication and attention to detail keep the wheels of democracy turning. Let's take a moment to recognize and appreciate their hard work, professionalism, and commitment to serving the public. Say hi to Angela, Ellis, and Chance the next time you are at City Hall or voting in an election. Thank you, municipal clerks, for all that you do!*

Stay tuned for more appreciation days all year long!
