Subject: Pride Events Recap

Good Afternoon,

I hope everyone enjoyed the 4th of July holiday and weekend. Now that we are into July, I wanted to share a recap of the City's participation in two pride events that took place in June.

Portland Pride Parade

On June 15, several employees across various departments walked together representing the City of Westbrook in the Portland Pride Parade. An amazing time was had by all, celebrating love, diversity, and community. You can learn more about the event [online](#). We look forward to walking together in solidarity next year!

Employee Pride Lunch

On June 25, employees gathered on the City Hall lawn to enjoy beautiful weather, lunch, games and to celebrate Pride! This was our second annual pride luncheon and we're thrilled so many employees were able to join us. A highlight of the lunch, other than the delicious food, was the heart origami which is now featured in the City Hall kitchen. Big shout out to Public Services for their help with set up/clean up!

Thank you to everyone who helped make these events a success. Enjoy the summer!
