*Westbrook, Maine*

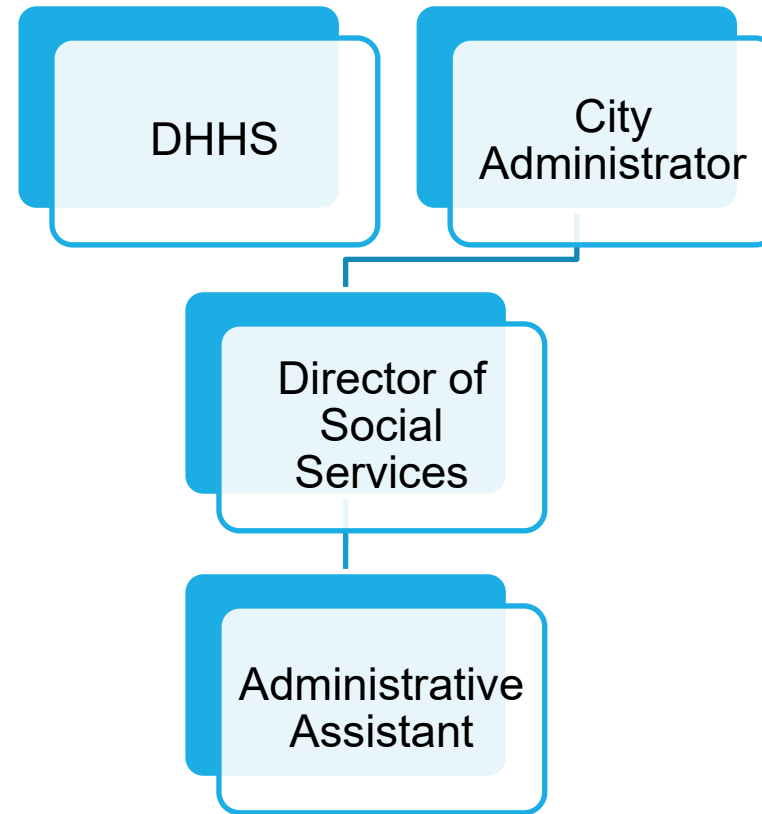

# General Assistance Overview

The City of Westbrook's General Assistance (GA) program is a voucher-based program that helps eligible residents who are unable to provide for their basic needs including shelter, food, utilities and prescription costs. Eligibility is determined according to income and guidelines in accordance with Maine State Statute. This program is designed to be the program of "last resort". Staff works with applicants to ensure that appropriate community referrals are made to support services. The program is funded by local property taxes with 70% reimbursement from the state.
