

WESTBROOK PUBLIC SERVICES SMOKE TESTING PROJECTS

BEGINS MONDAY, OCTOBER 7TH, 2024

- Testing conducted from the street to locate defects in the City Sewer System.
- Smoke is non-toxic, non-staining
- Property owners will receive door hanger with additional project information 24-96 hours ahead of testing.
- Property owners do not need to be home during the test. Also, property owners and pets do not need to leave their homes for the testing.
- Testing anticipated to be completed in October, weather dependent.
- Call WPS (207-854-0660) should you have questions.

Sub-basins 102_39, 102_96 and 2_13
