### DIRECTIONS AND INSTRUCTIONS.

Alarms to be given from the box near-  
est the location of the fire.  
Do not give an alarm for a fire seen at  
a distance.

## FIRE ALARMS.

81

To give an alarm, open the door, pull  
the hook to the bottom of the slot once,  
and let go.

After giving an alarm, remain or leave  
some one at the box, to direct the fire-  
men to the fire, and to see that no one  
interferes with the box.

Do not pull the hook a second time or  
allow anyone but an officer to do so.

Never pull an alarm when you hear  
the bell ring inside the box.

The locks are "trap locks" and you  
cannot take out your key until the ar-  
rival of a Fire Engineer with a master  
key.

After giving an alarm always close the  
outside door.
