Invitation

While it is presumed that all who worship with us will wish to help financially in the Home Expenses and the Missionary Offerings, yet we wish it distinctly understood that there are sittings in the Church every Sunday, open and free to any visitors or to those who may not find it convenient to use the pledge system of the weekly envelope or the rental of a pew. Come and worship God with us and share our privileges and our work for our Lord. Those wishing to unite with this Church on the Communion Sundays should confer with the Pastor at least two weeks ahead of the Communion Sunday.

*Why not hear about "MEXICO"
from one who knows--W. A. Joubert.*

HERE IS MR. JOUBERT ready to mount his "mustang" for his daily "rounds"--ready for "revolutionists" or the perils of the jungle--as he has done the past three years as manager of one of the largest ranches in southern MEXICO. His story of thrilling experiences there up to November, 1913, gives *Real Light* on the *Mexican Situation*--first hand information.

His talk is not formed around a few rented lantern slides--its a personal story of *Events that Happened. It Grips!* Mr. Joubert is a cultured New Englander with many years of tropical experience--of pleasing personality and good address.
